Frogcatchers Jeff Lemire 2020-07-07 Experience a surreal descent into one man's psychosis in this haunting and chilling graphic novel from the New York Times bestselling author of *Roughneck* and *Sweet Tooth*, hailed as "the Stephen King of comics" (Maclean's). But when he meets a young companion—the only other soul in this vast, enveloping emptiness—his new friend begs him not to unlock the door. There must be something behind it...but what? A haunted hotel on the edge of reality, an endless bridge spanning an infinite ocean, and a man and a boy looking for a way out. This is the setting for a boundary-pushing, genre-defying new work of fiction by one of comics' master storytellers. "A perfect miniature of memory and loss, affecting and beautifully told in an outstanding use of the medium. A haunting dream of a book" (Warren Ellis, New York Times bestselling author).
